Background

Temporary border control measures

1. On 1 February 2020, Cabinet authorised Ministers with Power to Act to take decisions on New Zealand's response to the COVID-19 outbreak and propose enhanced border measures [CAB-20-MIN-0015]. These included introducing temporary border control measures restricting the ability of people who have been in or transited through mainland China from entering New Zealand.
2. On 14 February 2020, Ministers with Power to Act agreed to extend the temporary border measures for anyone who has been present in or transited through mainland China within the last 14 days until 24 February 2020.
3. Ministers with Power to Act have agreed to extend the temporary border measures to those who try to enter New Zealand within 14 days of disembarking from the Diamond Princess cruise ship.
4. We understand that Cabinet has today agreed to extend the temporary border measures for a further 8 days until 3 March 2020.
5. The following people will continue to be excluded from the temporary border control measures:
 - a. New Zealand citizens
 - b. New Zealand resident and permanent resident visa holders
 - c. The partner, dependent children or legal guardian travelling with a New Zealand citizen, resident or permanent resident visa holder
 - d. Australian citizens and permanent resident visa holders whose primary place of residence is New Zealand
 - e. People deemed to have entry permission on arrival¹ by regulation 25 of the Immigration (Visa, Entry Permission, and Related Matters) Regulations 2010 (the Regulations). This includes a number of groups such as cruise ship passengers (who travel to New Zealand as part of a scheduled cruise) and marine and aircraft crew, members of a visiting force, and members of a scientific expedition under the auspices of a Contracting Party to the Antarctic Treaty.

Amendment to Border Entry instructions

Proposed new immigration instructions

6. The following changes to immigration instructions are proposed:
 - a. expand the scope of the temporary border measures to refuse entry permission to any person who attempts to travel to New Zealand within 14 days of disembarking the Diamond Princess cruise ship (IMO: 9228198, flagged to the United Kingdom), operated by Princess Cruises; and

¹ Although deemed to hold entry permission it is possible to suspend their visa waiver status for Cruise ship passengers and marine and aircraft crew at any point between embarkation onto the craft and arrival in New Zealand. It may also be possible to revoke their entry permission and cancel their visa on arrival if they arrive in an immigration control area.

- b. extend the temporary border measures (including the addition of the Diamond Princess cruise ship) for a further 8 days until 11:59 pm 3 March 2020, unless amended or revoked earlier.
- 7. Further immigration instructions will be provided for certification if this response needs to be extended beyond 3 March 2020.
- 8. Proposed additions to immigration instructions are highlighted for ease of reference. Deletions have not been highlighted. Highlighting will not appear in the published versions of the amended Operational Manual.

Communication

- 9. Changes will be communicated to all staff, licensed immigration advisers and the general public through the release of an amendment circular as soon as the new immigration instructions are certified.
- 10. Specific communications will be sent to key stakeholders and the Immigration New Zealand website will be updated to reflect the updated policy.
